## About US.

With 20 years of experience in the eavestrough industry, Novak Aluminum is passionate about your eavestrough, soffit & fascia. No need to worry about a pushy sales team; customers deal directly with the owner/operator, Novak Kalezic. He's a second generation installer who provides comprehensive and detailed quotes with no hidden costs or overages.

### HomeStars' Screening Process

When a home service pro earns a Verified badge, it means that we've investigated what matters most to you:

#### Criminal Background

Feel safe inviting a Verified service pro into your home.

#### Credit Check

Be confident that your hard-earned money will be handled properly.

#### HST Registration

Hire a properly established and legally-recognized Canadian business.

#### Professional Licensing

Expect a job-well-done from a pro that has all of the required trade certifications.
